I want to thank the families of our Great Warriors who have been lost to us for the way they came together as one, and thanked me for attending, at their request, the Celebration of their wonderful family members who, because of the Incompetence of Kamala Harris and Joe Biden, are no longer with us. Thank you for saying you wanted me to stand with you at Arlington National Ceremony, and take pictures, that it was your request, not mine, but it was my Great Honor to do so. I WILL NEVER FORGET! Lightweight V.P. Kamala Harris tried turning it around, because they weren't there, have never spoken to the families, and have no intention to do so. In Afghanistan, you don't take the Soldiers out first, you take the Soldiers out last. This would be Military 101, the most basic, and the "leaders" of that Disaster should be immediately fired. We have FOOLS in the White House, and now, they are trying to solve the Hostage Crisis in Israel. Guess how that's going to turn out?

Today, Gold Star Families who lost their loved ones in the Harris-Biden Administration's botched withdrawal from Afghanistan released the following joint statement and heartfelt video messages in a direct response to Kamala Harris' false, hypocritical, and disrespectful statement attacking President Trump:

"We, the families of the brave service members who were tragically killed in the Abbey Gate bombing, are appalled by Vice President Kamala Harris' recent attempts to politicize President Trump's visit to Arlington National Cemetery. President Trump was invited by us, the Gold Star families, to attend the solemn ceremonies commemorating the three-year anniversary of our children's deaths. He was there to honor their sacrifice, yet Vice President Harris has disgracefully twisted this sacred moment into a political ploy.

Vice President Harris bears responsibility for the deaths of our sons and daughters. Her administration's catastrophic mishandling of the Afghanistan withdrawal directly led to the murder of 13 service members, including our children. Despite our multiple requests for a meeting to discuss the loss of our loved ones, Vice President Harris has repeatedly ignored us, showing a complete lack of empathy and accountability. This refusal to face the consequences of her administration's decisions is a deep betrayal to us as Gold Star families.

President Trump, on the other hand, has been the only Commander-in-Chief to consistently recognize the heroism of our children. His attendance at Arlington was not for political gain but to stand with us, to grieve with us, and to honor the legacy of those who gave everything for this nation. His leadership during his time in office was strong, and we have no doubt that if he were still Commander-in-Chief, our children would be alive today.

I look so forward to Debating Comrade Kamala Harris and exposing her for the fraud she is. Harris has changed every one of her long held positions, on everything. America will never allow an Election WEAPONIZING MARXIST TO BE PRESIDENT OF THE U.S.
